

Sony Life Invests in Tokyo Green Bonds

October 24, 2019

Sony Life Insurance Co., Ltd. ("Sony Life"), a wholly owned life insurance subsidiary of Sony Financial Holdings Inc., invested in Tokyo Green Bonds issued by Tokyo Metropolitan Government. This is the first time that Sony Life has invested in green bonds.

Tokyo Green Bonds has obtained a second party opinion from ISS-oekom that these bonds have the characteristics of green bonds as defined by the International Capital Market Association (ICMA).

Sony Life takes the initiative on social contribution activities to fulfill its social mission as a life insurer and in the aim of realizing a sustainable society. Through its investment activities, as well, Sony Life fulfills its role as a life insurance company to provide peace of mind over the long term and contribute to the creation of a sustainable international society, thereby reflecting its social responsibility.
